

# Are you looking for a unique Marketing opportunity in North America?

LEWITT creates cutting-edge microphones that allow everyone to express individual creativity, whether at home, on stage, or in the studio, beginner or professional. Working at LEWITT means working in a respectful environment that allows you to grow. We are an international and diverse team. Everything we do, we do to the fullest. We are now looking for a Marketing Manager for the North American region (USA + Canada) to help bring LEWITT to the next level.

## You are ...

- Someone with an entrepreneurial mindset who sees the big picture
- Dedicated to building up LEWITT in the North American region
- Agile with a data-driven mindset
- Known for your hands-on mentality and being team-oriented
- Result oriented

## Your profile ...

- Very knowledgeable in the audio field and you can talk with other pros on the same level
- Hands-on marketing knowledge (“can and will do by myself” mentality)
- People person with great networking skills
- A generalist understanding and experience with modern marketing techniques
- Familiar with the pro audio scene in North America, especially US (Influencer, blogs, magazines, websites, forums, ...)

## How can you help us to get better?

- Promote the brand and help to establish LEWITT as a significant player in the market
- Establish contact with the right people (Influencers, studios, magazines, blogs)
- Facilitate partnership opportunities
- Help LEWITT to better understand and adjust to the local market

## What we offer ...

- Autonomy to pursue the opportunities to reach our objectives and goals
- Trust, support, and a budget to get things done
- Training in Vienna, Austria
- Help and support of the whole international Marketing department

This job will start as a freelancer in a home office setup. Preferably we are looking for people in Nashville, Los Angeles, or any other major city with a large local audio community.

If you want to be part of our team, send your application to [jobs@lewitt-audio.com](mailto:jobs@lewitt-audio.com).

Make yourself heard.

LEWITT headquarters in Vienna, Austria

## About LEWITT

True love for great sound unites us. We are part of the audio community. We mix live concerts, record in the studio, love to play our instruments, and drive international research in acoustics and electronics. We all share a true love for great sound, a love that unites us.

Through our close contacts with audio professionals around the globe, we can test and perfect our microphones before they come to you. With our beta test programs, mixing contests and music challenges, we are growing even closer together. Having fun and being creative together is important to us and one of the keys to our success. If you feel like it, join in right away.

Make yourself heard.

## LEWITT products

We believe that great sound is for everyone, whether you're recording at home, on stage or in the studio as a beginner or professional. To make sure that nothing limits your performance on the technical side, we're here to push microphone technology forward.

Our award-winning studio line is renowned for getting your sound right in no time. From professional studios to bedroom producers, our microphones offer larger-than-life sound, high acoustic accuracy, and distinct tone. Whatever you record, a LEWITT microphone is all about your sound.

Make yourself heard.
