

Test Engineer (m/f/d)

LEWITT creates cutting edge microphones that allow everyone to express individual creativity, whether at home, on stage, or in the studio, beginner or professional. Working at LEWITT means working in a respectful environment that allows you to grow. We are an international and diverse team in a modern office space with a rooftop panorama terrace and an in-house recording/content creation studio. Everything we do, we do to the fullest.

To support our R&D-Team, we are currently looking for you as our new Test Engineer (m/f/d).

Your responsibilities

- Design a framework for software tests of various audio devices (incl. function-oriented tests and code coverage)
- Definition and implementation of test cases
- Execution of the developed software tests
- Evaluation of the collected test results and compilation of reports
- Creation of a concept for the automation of the test environment (hardware and software)
- Integration of the test environment into a bug tracking tool
- Close cooperation with the Software- and Hardware-Development Teams

What we offer

- A young and international team
- An innovative range of products that puts us at the forefront of the market
- Flat hierarchies, short communication channels, and unbureaucratic teamwork
- A modern office space with a 360° view over Vienna from our rooftop terrace
- Attractive team discounts on LEWITT products

Your qualifications and skills

- Relevant secondary education (e.g. HTL) or university degree
- You are very well organized and work particularly precisely
- You have a profound understanding of analog and digital circuits and extensive experience in troubleshooting
- You know the basics of programming in C, C++ and C#. Also Python is not unknown to you
- You are an effective collaborator and team player, but you also work very independently
- English speaking proficiency
- Understanding of the Pro Audio and music market is an advantage, but not a requirement

If we have raised your interest, we are looking forward to your message! Please send your application to jobs@lewitt-audio.com for the attention of Robert Mölzer.

The place of work is Schanzstraße 14, 1150 Vienna.

Your performance is remunerated with a market-compliant salary, exceeding the legal minimum of the collective agreement "Allgemeines Handelsgewerbe" and being in the range of **EUR 1,957.64** or above for full-time 40h per week – negotiable according to your qualifications
